Logic School of Management Launches CIAP Program in Collaboration with IAB, UK

Kochi: Logic School of Management, part of the Veranda Commerce vertical led by Prof. J.K. Shah, has announced the launch of the Certified International Accounting Professional (CIAP) program in partnership with the Institute of Accountants and Bookkeepers (IAB), UK — a globally respected body for professional accounting qualifications. Logic has trained thousands of aspirants across India for the last 2 decades and has a strong track record in International and national accounting programs like ACCA, CMA USA, CPA USA and CA education.

Veranda Commerce is one of the largest commerce education verticals in India and is actively expanding its footprint. Brands under this vertical include JK Shah Classes, BB Virtuals, Navkar Digital Institute, Tapasya College of Commerce and Management, and Logic School of Management.

The CIAP program features a fast-tracked, globally aligned curriculum that can be completed in just six months. It is tailored for both students and working professionals aiming to build successful careers in international accounting and finance. The program offers placement assistance through IAB, certification from the National Skill Development Corporation (NSDC), and access to bank loan facilities — making it a practical, affordable, career-focused, and accessible pathway to rewarding careers in global finance and accounting. The first batch of the CIAP program is expected to commence by the end of June.

The launch event was inaugurated by Ms. Sarah Palmer, CEO of IAB, who highlighted the growing global demand for skilled finance professionals. “We are delighted to collaborate with Logic School of Management to introduce the CIAP qualification in India,” said Ms. Palmer. “This program is not just a certification—it’s a passport to career opportunities, designed to equip learners with the real-world skills required by employers in the financial industry.” Established in 1973, IAB is one of the most trusted awarding bodies in the UK, with a focus on raising professional standards in bookkeeping, accounting, and payroll globally.

Other dignitaries present included Mr. Ranjit Srivenkatesh, Director, IAB; Ms. Michelle Griffiths, Deputy Chief Examiner, IAB; Ms. Fathayya Khan, Manager, NSDC Academy; Mr. Nikhil, representing NSDC; and Ms. Rosmin, IAB Coordinator.

Mr. Santhoshkumar, Director of Logic School of Management, expressed his enthusiasm for the initiative, stating, “We are pleased to bring this globally recognized qualification to our students in India. Our vision is to empower future-ready professionals through international certifications that unlock career opportunities across India.” This initiative reinforces Logic School of Management’s commitment to delivering high-quality, internationally benchmarked education in accounting and finance.

About Veranda Learning Solutions

Established in 2018 by the Kalpathi AGS Group, Veranda Learning Solutions Limited has rapidly evolved into a prominent, publicly listed education company.
