

INDEPENDENT AUDITOR'S REPORT

**To The Members of Veranda Administrative Learning Solutions Private Limited
Report on the Audit of the Standalone financial statements**

Opinion

We have audited the accompanying standalone financial statements of **Veranda Administrative Learning Solutions Private Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Standalone financial statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report, but does not include the standalone financial statements and our auditor's report thereon. The Board's report is expected to be made available to us after the date of this auditor's report.
- Our opinion on the standalone financial statements does not cover the other information and will not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information, identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- When we read the Board's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Board of Directors for the Standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the Note 42(vi) to the standalone financial statements no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the Note 42(vii) to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account for the year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with. Additionally audit trail has been preserved by the Company as per the statutory requirements for record retention (refer Note 42(xii) of the standalone financial statements).
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to standalone financial statements of **Veranda Administrative Learning Solutions Private Limited** (the "Company") as at March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Deloitte Haskins & Sells Haskins & Sells LLP

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to standalone financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a)(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) As the Company does not hold any Intangible assets, reporting under the clause (i)(a)(B) is not applicable.
- (b) The Property, Plant and Equipment, were physically verified during the year by the Management which, in our opinion, provides for physical verification at reasonable intervals. No discrepancies were noticed on such verification.
- (c) The Company does not have any immovable properties and hence reporting under clause (i)(c) of the Order is not applicable.
- (d) The Company has not revalued any of its Property, plant and equipment during the year. The Company does not have any Right-of-use asset and Intangible assets.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The Company does not have any inventory and hence reporting under clause (ii)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions and hence reporting under clause (ii)(b) of the Order is not applicable.
- (iii) The Company has made investments in, provided guarantee and granted loans to companies and other parties during the year, in respect of which:
- (a) The Company has provided loans or and stood guarantee during the year and details of which are given below:

(Rs. In Lakhs)		
Particulars	Loans	Guarantees
A. Aggregate amount granted during the year		
– Holding Company	-	822.92
– Fellow Subsidiaries	-	2,630.65
– Subsidiaries	293.60	-
B. Balance outstanding as at balance sheet date in respect of above cases		
– Holding Company	-	822.92
– Fellow Subsidiaries	-	2,630.65
– Subsidiaries	293.60	-

- (b) The investments made, guarantees provided and the terms and conditions of the grant of all the above-mentioned loans and guarantees provided, during the year are, in our opinion, not prejudicial to the Company's interest.

- (c) The Company has granted loans that are payable on demand. During the year, the Company has not demanded such loan. Having regard to the fact that the repayment of principal or payment of interest has not been demanded by the Company, in our opinion, the repayments of principal amounts and receipts of interest are regular.
- (d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted provided by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) None of the loans granted by the Company have fallen due during the year.
- (f) The Company has granted Loans which are repayable on demand or without specifying any terms or period of repayment details of which are given below:

(Rs. In Lakhs)		
Particulars	All Parties	Related Parties
Aggregate of loans		
Repayable on demand	293.60	293.60
Percentage of loans to the total loans	100.00%	100.00%

- (iv) The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- (vi) Having regard to the nature of the Company's business / activities, reporting under clause (vi) of the Order is not applicable.
- (vii) According to the information and explanations given to us, In respect of statutory dues:
- (a) In respect of statutory dues:
- Undisputed statutory dues, including Goods and Service tax, Provident Fund, Income-tax, cess and other material statutory dues applicable to the Company have been regularly deposited by it with the appropriate authorities in all cases during the year.
- There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income-tax, cess and other material statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.
- (b) There are no statutory dues referred in sub-clause (a) above which have not been deposited on account of disputes as on March 31, 2025.
- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or Government or any Government authority.
- (c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.

Deloitte Haskins & Sells

- (d) On an overall examination of the standalone financial statements of the Company, funds raised on short-term basis have, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.
- (b) The Company has made preferential allotment of shares during the year for consideration other than cash. For such allotment of shares, the Company has complied with the requirements of Section 42 and 62 of the Companies Act, 2013. The Company has not made any preferential allotment or private placement of (fully or partly or optionally) convertible debentures during the year.
- (xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with section 188 of the Companies Act for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements etc. as required by the applicable accounting standards. The provisions of section 177 of the Companies Act, 2013 are not applicable to the Company.
- (xiv) The Company is not required to have an internal audit system as per the provisions of the Companies Act, 2013. Hence, reporting under Clause (xiv) of the order is not applicable.
- (xv) In our opinion, during the year the Company has not entered into any non-cash transactions with any of its directors or directors of its's holding company, subsidiary company or persons connected with such directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a,b,c) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 but it has not obtained the registration as the Company has made a request with the Reserve bank of India (RBI) for waiver from obtaining registration as an NBFC (Refer Note 43 to the Standalone financial statements).
- (d) As represented to us by the Management, the Group does not have any CIC as part of the group and accordingly reporting under clause (xvi)(d) of the Order is not applicable (Refer Note 43 to the Standalone financial statements).
- (xvii) The Company has incurred cash losses amounting to Rs. 3,132.81 lakhs in the financial year covered by our audit and Rs. 3,241.27 lakhs in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.

(xix)

On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx)

The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

Veranda Administrative Learning Solutions Private Limited
Standalone Statement of Cash Flows for the year ended March 31, 2025
CIN No.: U80903TN2022PTC155382
[All amounts in Indian Rupees (Lakhs), unless otherwise stated]

Notes:

1. Cash Flow Statement has been prepared under the indirect method as set out in the Indian Accounting Standard 7 on Cash Flow Statements, Cash and cash equivalents in the Cash Flow Statement comprise cash at bank and in hand, demand deposits and cash equivalents which are short-term and held for the purpose of meeting short-term cash commitments.

Balances with banks - current accounts	180.80	1.30
Cash on hand	-	0.03
	180.80	1.33

Reconciliation of liabilities from financing activities for the year ended March 31, 2025:

Particulars	As at March 31, 2024	Proceeds	Repayments	Reclassification	As at March 31, 2025
Non-current borrowings	-	15,544.07	(745.00)	450.47	15,249.54
Current borrowings (including current maturity to non-current borrowings)	13,381.13	-	(12,930.60)	(450.47)	0.06
Total	13,381.13	15,544.07	(13,675.60)	-	15,249.60

Reconciliation of liabilities from financing activities for the year ended March 31, 2024:

Particulars	As at March 31, 2023	Proceeds	Repayments	Reclassification	As at March 31, 2024
Non-current borrowings	941.82	500.00	(71.12)	(1,370.70)	-
Current borrowings (including current maturity to non-current borrowings)	58.18	13,686.53	(1,734.28)	1,370.70	13,381.13
Total	1,000.00	14,186.53	(1,805.40)	-	13,381.13

Cash and cash equivalents at end of the year (Refer Note 9)	180.80	1.33

1 Corporate information

Veranda Administrative Learning Solutions Private Limited (the "Company" or "VALS") was incorporated on September 15, 2022 under the provisions of the Companies Act, 2013 vide Corporate Identity Number U80903TN2022PTC155382. The registered office of the Company is at G.R. Complex, First Floor, No. 807-808, Anna Salai, Nandanam, Chennai - 600035, Tamil Nadu. The Company is engaged in the business of providing online and offline training and coaching services.

2A Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On May 7, 2025, the MCA has notified Companies (Indian Accounting Standards) Amendment Rules, 2025. This notification has resulted in amendments to Ind AS 21 - Effects of Changes in Foreign Exchange Rates, applicable to the Company from April 1, 2025. The Company is assessing the impact of the above amendment on the financial statements.

2B Basis of preparation of financial statements

i) Exemption from preparation of consolidated financial statements

The Company has investments in subsidiaries. The Holding company, Veranda Learning Solutions Limited, having its registered office at G.R. Complex, First Floor, No. 807-808, Anna Salai, Nandanam, Chennai - 600035, Tamil Nadu, India shall present the consolidated financial statements. The Company has therefore availed the exemption under paragraph 4(a) of Ind AS 110 and shall satisfy the conditions for exemption from preparing consolidated financial statements as per Companies (Accounts) Amendments Rules, 2016 and thereby does not present consolidated financial statements.

ii) Basis of preparation and presentation

Historical cost convention

The standalone financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

Measurement of fair values

Certain accounting policies and disclosures of the Company require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values and regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest lakhs (up to two decimals).

3 Material accounting policies

a) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- i) Expected to be realised or intended to be sold or consumed in normal operating cycle;
- ii) Held primarily for the purpose of trading;
- iii) Expected to be realised within twelve months after the reporting period, or
- iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- i) It is expected to be settled in normal operating cycle;
- ii) It is held primarily for the purpose of trading;
- iii) It is due to be settled within twelve months after the reporting period, or
- iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified 12 months as its operating cycle.

b) Revenue Recognition

i) Income from Technical Know how:

Revenue is recognised on accrual basis and when no significant uncertainty exists as to its realisation or collection. Revenue is measured at the fair value of the consideration received or receivable. The Company derives revenues primarily from management and knowledge services rendered to its subsidiaries in accordance with the terms of the agreements with them and recognized over the period of rendering of the services.

Note: The Company recognises the above revenues towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

ii) Guarantee commission income:

Guarantee commission revenue is recognised on an accrual basis in accordance with the substance of the relevant agreement, provided that it is probable that the economic benefits shall flow and the amount can be measured reliably.

c) Interest Income

Interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

d) Loans and borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the Company does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

c) Property, plant and equipment (PPE)

Presentation

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs of a qualifying asset, if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.

Advances paid towards the acquisition of tangible assets outstanding at each balance sheet date, are disclosed as capital advances under long term loans and advances and the cost of the tangible assets not ready for their intended use before such date, are disclosed as capital work in progress.

Derecognition

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation on property, plant and equipment.

Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life.

Assets Category	Estimated useful life (in years)
Office equipment	5

The Useful life is as per Schedule II of the companies Act, 2013

Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion/ disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded/ sold. Depreciation is also accelerated on assets, based on their condition, usability, etc. as per the technical estimates of the management wherever necessary.

Additions to fixed assets, costing Rs.5,000 each or less are fully depreciated retaining its residual value.

The residual values, estimated useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

d) Intangible assets

Internally generated intangible asset are measured on initial recognition at cost. The cost comprises of all directly attributable costs necessary to create, produce, and prepare the asset to be capable of operating in the manner intended by management.

Subsequent to initial recognition, internally-generated intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

Useful life and amortisation of intangible assets

The useful lives of intangible assets are assessed as either finite or indefinite. Intangible assets with finite lives are amortised over the useful economic life. Amortisation is also accelerated on assets, based on their condition, usability, etc. as per the technical estimates of the management wherever necessary. Further, the Company has assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Intangible under development

Costs incurred during research phase are charged to profit or loss in the year in which they are incurred. Development phase expenses are initially recognized as intangible assets under development until the development phase is complete, upon which the amount is capitalized as intangible asset.

g) Borrowing costs

Borrowing cost include interest computed using Effective Interest Rate method, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are directly attributable to the acquisition, construction and production of a qualifying asset are capitalised as part of the cost of that asset which takes substantial period of time to get ready for its intended use. All other borrowings costs are expensed in the period in which they occur.

h) Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Where there is deferred tax assets arising from carry forward of unused tax losses and unused tax created, they are recognised to the extent of deferred tax liability.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

i) Provisions, contingent liabilities and contingent asset

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are discounted, if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Necessary provision for doubtful debts, claims, etc., are made if realisation of money is doubtful in the judgement of the management.

Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. Contingent liabilities are disclosed separately.

Show cause notices issued by various Government authorities are considered for evaluation of contingent liabilities only when converted into demand.

Contingent assets

Where an inflow of economic benefits is probable, the Company discloses a brief description of the nature of the contingent assets at the end of the reporting period, and, where practicable, an estimate of their financial effect. Contingent assets are disclosed but not recognised in the financial statements.

j) Cash and cash equivalents

Cash comprises cash in hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash, which are subject to insignificant risk of changes in value.

k) Cash flow statement

Cash flows are presented using indirect method, whereby profit/ (loss) after tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

Bank borrowings are generally considered to be financing activities. However, where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents for the purpose of cash flow statement.

l) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

m) Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for low value leases. For low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are re-measured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

n) Segment reporting

Based on internal reporting provided to the Chief operating decision maker, the Company's operations predominantly related to sale of comprehensive learning programs and, accordingly, this is the only operating segment. The management committee reviews and monitors the operating results of the business segment for the purpose of making decisions about resource allocation and performance assessment using profit or loss and return on capital employed.

o) Financial instruments

Investments and Financial assets

Financial assets

(i) Initial recognition and measurement:

All financial assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting. However, trade receivables that do not contain a significant financing component are measured at transaction price.

(ii) Subsequent measurement:

-Financial assets carried at amortised cost (AC)

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

-Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

-Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are fair valued through profit or loss.

(iii) Impairment of financial assets

In accordance with Ind AS 109, the Company use 'Expected Credit Loss' (ECL) model, for evaluating impairment assessment of financial assets other than those measured at fair value through profit and loss (FVTPL). Expected credit losses are measured through a loss allowance at an amount equal to:

a) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

b) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

The Company applies the simplified approach permitted by Ind AS 109 – Financial Instruments to measure expected credit losses (ECL) on trade receivables. Under this approach, the Company recognises lifetime ECL for all trade receivables, using a provision matrix based on historical credit loss experience adjusted for current conditions and forward-looking information.

Financial liabilities

(i) Initial recognition and measurement:

All financial liabilities are recognized initially at fair value and in case of loans net of directly attributable cost. Fees of recurring nature are directly recognised in profit or loss as finance cost.

(ii) Subsequent measurement:

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

(ii) Investment

(i) Equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, the entity may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The entity makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

p) Share based payments

Select employees of the Company receive remuneration in the form of equity settled instruments of the parent Company [Veranda Learning Solutions Limited], for rendering services over a defined vesting period and for Company's performance-based stock options over the defined period. Equity instruments granted are measured by reference to the fair value of the instrument at the date of grant. In cases, where equity instruments are granted at a nominal exercise price, the intrinsic value on the date of grant approximates the fair value. The equity instruments generally vest in a graded manner over the vesting period. The fair value determined at the grant date is expensed over the vesting period of the respective tranches of such grants (accelerated amortization). The share based payment expense is determined based on the Company's estimate of equity instruments that will eventually vest. The expense is recognized in the statement of profit and loss account with a corresponding increase to the deemed equity contribution, a component of equity.

q) Retirement and other employee benefits

Provident fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders the related service.

Gratuity

Gratuity is a defined benefit plan. The costs of providing benefits under this plan are determined on the basis of actuarial valuation at each year-end. Separate actuarial valuation is carried out for the plan using the projected unit credit method. Actuarial gains and losses for the plan is recognized in full in the period in which they occur in the statement of profit and loss.

Compensated absences

Short term compensated absences are provided for based on estimates. Long term compensated balances are provided for based on actuarial valuation. The actuarial valuation is done as per projected unit credit method. Leave encashment liability of an employee, who leaves the Company before the close of the year and which is remaining unpaid, is provided for on actual computation basis.

r) Impairment of non financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

3A Critical accounting judgements and key sources of estimation uncertainty :

Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if revision affects both current and future periods. The following are the significant areas of estimation, uncertainty and critical judgements in applying accounting policies:

- Impairment of investments and Non-current assets
- Provision for Tax
- Going Concern Assessment
- Useful lives of property, plant and equipment
- Fair value of financial assets and financial liabilities
- Provision for employee benefits - Actuarial Assumptions

Loss for the year attributable to owners of the Company	(4,836.37)	(3,241.27)
Weighted average number of ordinary shares outstanding	14,40,32,416	9,87,51,183
Basic (Rs)	(3.36)	(3.28)
Diluted (Rs)	(3.36)	(3.28)

The employee stock options issued by the Company is based on specified conditions involving future events/valuation of the Company. The number of ordinary shares contingently issuable may depend on the future market price of the ordinary shares and are therefore treated as contingently issuable shares because their issue is contingent upon satisfying specified conditions in addition to the passage of time. Contingently issuable ordinary shares are not included in the diluted earnings per share calculation unless both conditions are met. As at year end, since both the conditions have not been met, they have not been included in the calculation of diluted earnings per share. Further the company has incurred loss during the year and any potential issue of shares will result in an anti dilutive effect on loss per share.

31 Disclosures required by the Micro, Small and Medium Enterprises Development (MSMED) Act, 2006 are as under

Contingent liabilities	-	-
Commitments	-	-
Corporate guarantee (Refer note below)	4,420.24	966.67

As at March 31, 2025, Veranda XL Learning Solutions Private Limited has issued 31,000 (As at March 31, 2024 - 14,500) senior, secured, unlisted, redeemable non-convertible debentures (NCD) having a face value of Rs. 1,00,000 each on a private placement basis, Veranda Learning Solutions Limited ("VLS") has issued 2,500 (As at March 31, 2024 - Nil) senior, secured, redeemable, unlisted and non-convertible debentures (NCD) having a face value of Rs. 1,00,000 each on a private placement basis. VLS also has an additional green shoe option to issue up to 10,000 senior, secured, redeemable and unlisted non-convertible debentures of a nominal value of Rs. 1,00,000 each, aggregating to not more than Rs. 10,000 Lakhs, in one or more series and/or tranches, to be issued by the VLS on a private placement basis, and Veranda Race Learning Solutions Private Limited ("VRLS") has issued 10,000 (As at March 31, 2024 - Nil) senior, secured, redeemable, unlisted and non-convertible debentures (NCD) having a face value of Rs. 1,00,000 each on a private placement basis. VRLS also has an additional green shoe option to issue up to 1,000 senior, secured, redeemable and unlisted non-convertible debentures of a nominal value of Rs. 1,00,000 each, aggregating to not more than Rs. 11,000 Lakhs, in one or more series and/or tranches, to be issued by the VRLS on a private placement basis. The Company has issued a corporate guarantee to Veranda XL Learning Solutions Private Limited, Veranda Learning Solutions Limited and Veranda Race Learning Solutions Private Limited in relation to the issue.

34 Operating segments

Operating segments reflect the Company's management structure and the way the financial information is regularly reviewed by the Company's Chief Operating Decision Maker (CODM). The CODM considers the business from both business and product perspective based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / (loss) amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance. The Company's operations predominantly relates to sale of comprehensive learning programs and, accordingly, this is the only operating segment.

35 Financial instruments

Capital management

The Company manages its capital to ensure that Company will be able to continue as going concern, while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity, non-current borrowings and current borrowings.

For the purposes of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity holders.

Gearing ratio:		
	March 31, 2025	March 31, 2024
Debt	15,249.60	13,381.13
Less: Cash and bank balances	681.00	1.33
Net debt	14,568.60	13,379.80
Total equity	7,523.90	11,638.93
Net debt to equity ratio (%)	193.63%	114.96%

Credit risk management

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due to the Company causing financial loss. It arises from cash and cash equivalents, deposits with banks, security deposits, loans given and principally from credit exposures to customers relating to outstanding receivables. The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at reporting date. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The Company has very limited history of customer default, and considers the credit quality of trade receivables that are not past due or impaired to be good.

Therefore, the Company does not expect any material risk on account of non performance by any of the Company's counterparties. The credit risk for cash and cash equivalents, bank deposits, security deposits and loans is considered negligible, since the counterparties are reputable organisations with high quality external credit ratings.

Liquidity risk management

Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal requirements.

Liquidity tables

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

Particulars	March 31, 2025			
	Due in 1st year	Due in 2nd to 5th year	Due after 5th year	Carrying amount
Borrowings (Fixed rate instruments)	0.06	15,249.54	-	15,249.60
Trade payables (Non - interest bearing)	89.80	-	-	89.80

Other financial liabilities	20, 16	8,040.52	6,982.13
Total financial liabilities		23,379.92	20,445.84

Fair value measurement

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level is as under:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

The carrying amounts of trade receivables, trade payables, cash and cash equivalents and other current financial liabilities are considered to be the same as their fair values, due to their short-term nature.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The external borrowing rate of the Company has been taken as the discount rate used for determination of fair value.

b) No amount is/has been written off or written back during the year in respect of debts due from or to related party.
c) The above transactions are compiled from the date these parties became related.

38 Employee benefits

38.1 Defined contribution plans

The Company has defined contribution plan of provident fund. Additionally, the Company also provides, for covered employees, health insurance through the employee state insurance scheme.

Contributions are made to provident fund in India for employees at the rate of 12% of basic salary as per regulations. The obligation of the Company is limited to the amount of disbursement required and it has no further contractual nor any constructive obligation. The Company has recognized in the Statement of Profit and Loss for the year ended March 31, 2025 an amount of Rs. 1.00 Lakh (March 31, 2024 - 0.02 Lakh) towards expenses under defined contribution plans and included in 'Contribution to provident and other funds'.

38.2 Defined benefit plans

(a) Gratuity

Gratuity is payable as per Payment of Gratuity Act, 1972. In terms of the same, gratuity is computed by multiplying last drawn salary (basic salary including dearness Allowance if any) by completed years of continuous service with part thereof in excess of six months and again by 15/26. The Act provides for a vesting period of 5 years for withdrawal and retirement and a monetary ceiling on gratuity payable to an employee on separation, as may be prescribed under the Payment of Gratuity Act, 1972, from time to time. However, in cases where an enterprise has more favourable terms in this regard the same has been adopted.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk and salary risk.

Interest risk	A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The principal assumptions used for the purposes of the actuarial valuations were as follows:

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Attrition rate		
Discount Rate	8.00%	8.00%
Expected rate(s) of salary increase	6.44%	6.98%
	10.00%	10.00%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Particulars	March 31, 2025		March 31, 2024	
	Current	Non-current	Current	Non-current
Provision for gratuity	0.08	9.85	0.05	5.96

Amounts recognised in total comprehensive income in respect of these defined benefit plans are as follows:

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Current service cost		
Net interest expense	3.22	6.01
Return on plan assets (excluding amounts included in net interest expense)	0.42	-
Components of defined benefit costs recognised in profit or loss		
Remeasurement on the net defined benefit liability comprising:		
Actuarial (gains)/losses recognised during the period	3.64	6.01
Components of defined benefit costs recognised in other comprehensive income		
	0.27	-
	0.27	-
	3.91	6.01

The current service cost and the net interest expense for the period are included in the 'employee benefits expense' in profit or loss.

The actuarial loss on remeasurement of the net defined benefit liability is included in other comprehensive income.

The amount included in the balance sheet arising from the Company's obligation in respect of its defined benefit plans is as follows:

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Present value of defined benefit obligation	9.92	6.01
Fair value of plan assets	-	-
Net liability arising from defined benefit obligation	9.92	6.01
Funded	-	-
Unfunded	9.92	6.01
	9.92	6.01

Movements in the present value of the defined benefit obligation in the current period were as follows:

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Opening defined benefit obligation	6.01	-
Current service cost	3.22	6.01
Past service cost - (vested benefit)	-	-
Interest cost	0.42	-
Actuarial (gains)/losses	0.27	-
Benefits paid	-	-
Closing defined benefit obligation	9.92	6.01

Assumptions regarding future mortality are set based on actuarial advice in accordance with published statistics and experience. The estimates of future salary increases, considered in actuarial valuation, take into account, inflation, seniority, promotions and other relevant factors such as demand and supply in the employment market.

Sensitivity analysis

In view of the fact that the Company for preparing the sensitivity analysis considers the present value of the defined benefit obligation which has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

Defined benefit obligation sensitivities were as follows:

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
1) DBO - Base assumptions	9.92	6.01
2) Discount rate: +1%	9.29	5.58
3) Discount rate: -1%	10.64	6.50
4) Salary escalation rate: +1%	10.61	6.48
5) Salary escalation rate: -1%	9.30	5.59
6) Attrition rate: 25% increase	9.43	5.61
7) Attrition rate: 25% decrease	10.47	6.46

38.3 Compensated absences

The compensated absences cover the Company's liability for privilege leave provided to the employees. Based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment for such leave within the next 12 months.

Particulars	March 31, 2025		March 31, 2024	
	Current	Non-current	Current	Non-current
Compensated absences	5.14	2.65	3.51	1.97

38.4 Share based payments

During the financial year 2022-23, the Holding Company "Veranda Learning Solutions Limited" has approved the plan to grant 22,000 (Twenty Two Thousand) options to other eligible Employees in one or more tranches from time to time under the scheme titled " Veranda Learning solutions Limited Employee Stock option Plan 2022" ("ESOS 2022").

Exercise period:

As per the Scheme, the options can be exercised with in a period of 3 years from the date of vesting.

The expense recognised (net of reversal) for share options for employees of the Company during the year is Rs. 5.59 lakhs (March 31, 2024: Rs. 8.18 lakhs) and the same has been considered as Deemed Equity Contribution by the Holding company.

39 Ratio analysis

a) Current ratio = Current assets/ current liabilities

Particulars	March 31, 2025	March 31, 2024
Current assets	916.30	606.99
Current liabilities	5,777.82	20,006.93
Ratio	0.16	0.03
Change in ratio	422.72%	

Change in ratios of more than 25% compared to previous year is because during the year the Company has repaid the borrowings classified as current and classified borrowings from related parties as non-current, which lead to decline in current liabilities.

b) Debt-equity ratio = Total debt divided by total equity where total debt refers to sum of current and non-current borrowings

Particulars	March 31, 2025	March 31, 2024
Total debt	15,249.60	13,381.13
Total equity	7,523.90	11,638.93
Ratio	2.03	1.15
Change in ratio	76.29%	

Change in ratios of more than 25% compared to previous year is because during the year the company has incurred losses due to impairment and finance cost, accordingly the other equity of the Company declined.

c) Debt Service Coverage Ratio (DSCR) = Earnings available for debt services divided by total interest and principal repayments

Particulars	March 31, 2025	March 31, 2024
Loss for the year	(4,836.37)	(3,241.27)
Add: Non cash expenses and finance costs	4,801.54	3,282.61
